Transform your living space

At S:CRAFT, we understand how window dressings can transform a living space. Your choice of blinds helps create the character of your home, whether you're looking for contemporary or cosy, laid-back or luxurious, country-chic or city-slick. Whatever your style, you'll find the perfect fit for every room with our range of premium made-to-measure blinds.

Custom-crafted using high quality materials and with great attention to detail, S:CRAFT blinds combine practicality and style that will breathe new life into your home. Our bespoke window coverings are intelligently designed to provide both privacy and light-control to create your ideal environment.

From crisp rollers to sophisticated romans, modern panels and versatile verticals, our range offers window treatments for every interior scheme. All our blinds are child-safe, and options such as motorisation – to remotely open your blinds at the touch of a button – are designed to make your life easy. All you need to do is choose which of our stylish designs and fabrics are right for your home. Why not mix and match?

COVERING FOR HOMES
AND BUSINESSES

Versailles Vertical

CLEAN AND CRISP

Combining practicality and style, our Versailles Vertical blinds are perfect for expansive windows of up to five metres – and look just as good in the workplace as in the contemporary home.

These carefully crafted blinds feature sewn-in bottom weights to create clean lines, and are smoothly operated with a simple wand-control. Choose from a selection of plain colours with varying levels of privacy and light control, plus a number of headrail colours – or conceal the rail and upgrade to our sleek cassette system for a neat finish.

Mirande Duo Rollers

SLEEK STRIPES

Letting in natural light can be just as important as shading it. Our modern Mirande Duo Rollers add a contemporary twist to any room, featuring flexible light-control and striking horizontal stripes – which can be expertly aligned if you have windows side-by-side.

With a finish that's easy to wipe clean and maintain plus child-safety features as standard, the Mirande rollers are available in a range of fabric colours combined with sheer stripes – select our custom-crafted top cassette and bottom bar in matching material for a flawless finish.

Genoa Collection

NATURAL SIMPLICITY

Custom-crafted from timeless fine-grained Paulownia hardwood, our made-to-measure Serino venetians offer premium quality and distinctive style. Simply tilt the slats, lift, or lower the blinds to effortlessly adjust the light levels in (and view from) your home and create the perfect atmosphere.

Available in three finishes – solid painted, wood stained and Osmo finish – plus four toggles, 16 cloth tapes and a choice of wooden valances, we can design the perfect realwood blind to blend with your interior scheme. And with a patented privacy slat and the tightest slat closure on the market, the Serino range offers the ultimate in privacy and light-control.

CONVENIENT SMARTLIFT OPTION FOR EFFORTLESS OPENING AND CLOSING

DURABLE STYLE

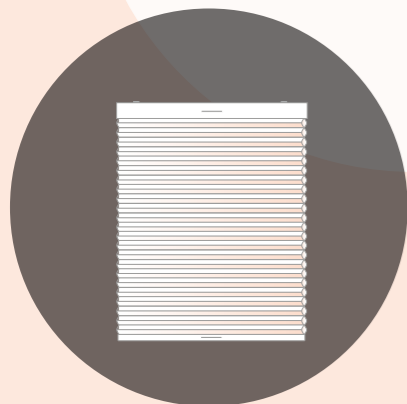

Let our Albaro venetian blinds bring your rooms to life – allowing you to control light levels and privacy with a simple tilt. This fauxwood range has all the style of wooden venetians but is made from practical polyvinyl to withstand the daily wear and tear of a family home.

Customise the Albaro blinds to create a look that suits your space, with several slat finish options plus a variety of cloth tape and cord colours. Ideal for large windows and with tight slat closure for increased room darkening, these blinds not only look stylish but are also durable and easy-to-clean. And because our blinds are made-to-measure, they will fit your windows beautifully.

AVAILABLE IN TWO SLAT SIZES AND A RANGE OF PAINTED OR WOOD-EFFECT FINISHES

Parma™ Range

PRECISE LIGHT-CONTROL

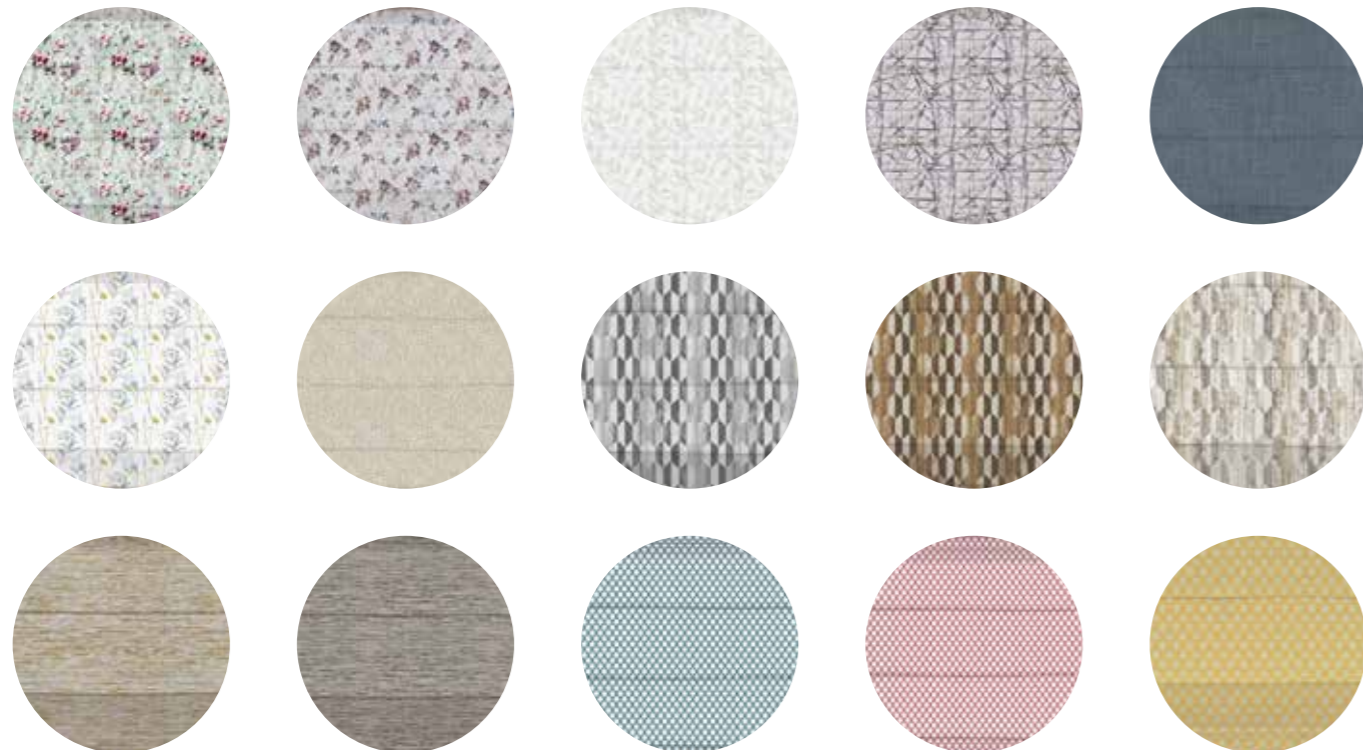

Let your blinds set the tone in your home with our Honeycomb Parma range. Versatile, practical and energy efficient, the Parma blinds collection can be custom-crafted for virtually any window and their stylish simplicity allows the perfect balance of light-control and privacy.

Available in three levels of opacity – sheer, light-filtering and room darkening – our Parma blinds feature an innovative insulating honeycomb structure, keeping your home cool in summer and warm in winter. You can also choose in which direction your shades open, and select from a wide range of materials and colours including flame resistant options.

Roque Fabric Roman

SOPHISTICATED SOFTNESS

There's no doubt that sumptuous roman blinds can add a touch of luxury to your home. Whether you're looking for a relaxed feel with subtle folds or you'd prefer to make a statement with a bold print for a formal scheme, our premium made-to-measure Roque Roman Blinds are available in a rich range of fabrics to suit any interior style.

As with all our ranges, you can enhance Roque blinds to make sure they are the perfect fit for your home. Choose your blinds to be stacked or cascading when drawn, add room-darkening lining for cosy bedrooms, select a cassette system in matching fabric, or motorisation to operate your blinds at the touch of a button.

Aversa™ Range

PERFECT DAY OR NIGHT

Whether you choose to let light flood in or create a dark and cosy atmosphere, the clean and crisp Aversa range brings a stylish simplicity to your space. Offering adjustable light-control and privacy levels through sheer and opaque vanes, our made-to-measure Aversa blinds can transform the look and feel of your home.

Select from a range of colours in two shade options: either light filtering – where horizontal lines of alternating material can either let light in or create a cosy glow; or room darkening – where, when closed, multiple layers of fabric eliminate virtually all external light, helping you to sleep soundly.

- + Two lift options: corded and motorised
- + Available in 20 light filtering and 10 room darkening fabrics
- + 7 stylish cord colours to complement your blind
- + Up to 4 single blinds in one headrail
- + Ideal for large window expanses, max blind width of over 2.4 metres

Dijon Range

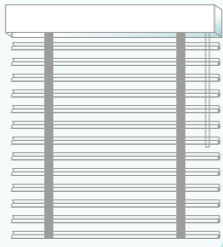

PRACTICAL ELEGANCE

Enjoy the best of both worlds with our Dijon range, which combines the luxurious look of curtains with the versatility of vertical blinds. These contemporary window coverings – ideal for large windows and doors up to five metres wide – comprise vertical vanes encased in softly flowing sheer fabric which smoothly transition from solid to sheer.

Choose from three fabric patterns in a variety of colourways, plus six headrail colours and optional facias to complete the look. Push back the cascading vanes to the side of your choice, and you can walk through the drapes at any point for easy access to outdoor space.

Lioni™ Range

A MODERN COMBINATION

There's no need to choose between roman or venetian blinds – you can have the advantages of both, with our innovative Lioni range. Gracefully combining modern chic with practical functionality, Lioni offers versatile light and privacy control in a range of patterns, textures and opacities.

Adjust the slats like a venetian blind, or raise the blind in cascading folds like a roman – giving you so many ways to create the perfect light in your home, when it suits you. Choose from 13 warm tones and seven complementary tape colours with a natural look and feel, all with excellent durability and water resistance.
